

PAINT SOCK

FIBERS 75% mulesing free wool with cloro free treatment,
25% nylon

CLEW 100 grs. ca. - 420 mts. - 3,5 oz. ca. - 458 yds.

KNITTING NEEDLES 2 - 2

A beautiful yarn where the perfect harmony of colours is modelled round the softness of a mulesing- and chlorine-free wool. A nuance-rich ball of yarn that will allow you to make two identical socks using the perfect loop method, according to which the balls are designed to offer the customer a pattern that is always the same. Its "painted effect" pattern makes it a unique and original yarn that will satisfy even the most demanding customers. The yarn is also suitable for making shawls and stoles.
